

CCTV

The **TCS** team has vast experience in **video surveillance** and **CCTV installations**, catering for both commercial and residential properties. Widely acknowledged as one of the main tools for deterring **crime, vandalism** and **trespassing**, TCS will advise and work closely with you to design, install and maintain a CCTV system tailored to your requirements and budget.

Our features include:

- HD
- IP
- Analogue
- Static
- Pan/Tilt/Zoom
- Remote Monitoring
- Motion Detection
- Digital Recording
- Vandal Proof
- Wireless

At **TCS** we also specialise in installing and maintaining the fibre optic and IP communication networks to ensure you can monitor your camera feeds.

CCTV

Cameras, recorders and monitors can be connected to networks to transmit the video streams to security teams or operators. Mobile and tablet device access is possible using 3G and 4G connectivity.
